The main objective of all CYO sports ministry is the formation of Christ-like youth. Our CYO/ athletic ministry mission for the benefit of young people is to:

- Foster the total personal and spiritual growth of each person involved in athletics.*
- Draw athletes to responsible participation in the life, mission, and work of the faith community.*
- Empower athletes to become disciples of Jesus Christ who witness to their faith through sports by living/working/ playing for justice, peace, and human dignity*

Coaches in a Catholic setting are role models and are responsible for their conduct and language as well as the proper conduct and language of their players and assistant coaches. Each athlete and coach is expected to:

- *Strive earnestly to be a person of whom God, church, family, school would be proud*
- *Promote by word and example, a clean, wholesome sport: eliminate profane language and unsportsmanlike conduct*
- *Receive/deliver a meaningful experience of the game and preserve the integrity of the sport*
- *Have an appropriate understanding of the proper attitude to utilize while competing in faith-based sports*

I understand my responsibilities as a coach in a Catholic environment and will strive - to the best of my ability - for the highest standard expected of me. _____ (Coaches signature)
