

CATHOLIC COACHING ESSENTIALS

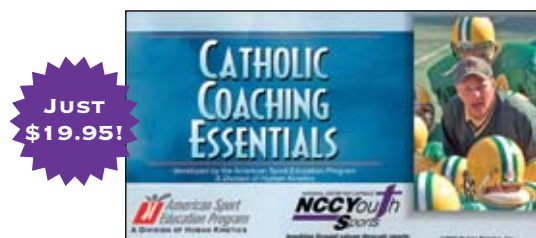

THE ARCHDIOCESE OF HARTFORD OFFICE OF RELIGIOUS EDUCATION IN CONJUNCTION WITH THE OFFICE OF CATHOLIC SCHOOLS WANTS YOU TO BE THE BEST CATHOLIC COACH AND ROLE MODEL YOU CAN BE

Athletics provide our youth with a positive environment in which to grow physically, emotionally, socially, and spiritually. The responsibility of fostering an environment in which athletes can mature in these areas often **rests with the coach**. Coaches are presented a unique opportunity to **use the playing field as a mission field**—to be a “Facilitator of Faith”—in developing and furthering athletes’ Christian character and values.

CATHOLIC COACHING ESSENTIALS ONLINE COURSE

To help ensure our coaches are up to the task, the **Archdiocese of Hartford Office of Religious Education and Office of Catholic Schools requests and recommends that all coaches involved in Catholic Sports Programs take Catholic Coaching Essentials online course.**

Developed by the **American Sport Education Program (ASEP)** in conjunction with the **National Center for Catholic Youth Sports (NCCYS)**, Catholic Coaching Essentials a sport-neutral online course centering on general coaching principles, sport first aid, and team management skills. At its core is the coach’s role as youth minister, who can use sports as a venue to teach Gospel values, instill Christian character, and build community.

Catholic Coaching Essentials course units include the following:

- Coaching as a Catholic youth ministry
- Communication
- Safety and fitness
- Teaching and shaping skills
- Coaching on competition day
- Developing season and practice plans

CATHOLIC COACHING [SPORT] ESSENTIALS

In addition to Catholic Coaching Essentials, it is highly recommended that coaches take the sport-specific course for the sport they are coaching:

- Catholic Coaching Basketball Essentials

Coaches taking Catholic Coaching Essentials and the sport-specific course will be **nationally certified through the National Center for Catholic Youth Sports**. The Catholic Coaching Essentials course is a **prerequisite** to the sport-specific courses; coaches can purchase and take the sport-specific course only after they complete the Catholic Coaching Essentials course.
